7 Students Graduate from GREMED

The graduation event of students on GREMED's leadership-scholarship programme is an event that students and families look forward to being a part of. The anticipation was no different this year. GREMED's first online event due to the covid 19 pandemic.

On Thursday, August 20th, 2020 GREMED recognized seven (7) of its students. Graduants, parents/guardians, members of the Board of Directors, Executive Director, Administrative staff, Alumni, and well-wishers came together for GREMED's first ever virtual graduation.

Graduating were four (4) Secondary School students: Jalil Stephen of Byelands, graduating from Presentation Brothers' College, in St. George and Shamica Chitan of River Sallee, graduating from Grenada SDA Comprehensive School in St. Patricks, they both sat eleven (11) CSEC subjects; Kellona Persue of

Balthazar, St. Andrew, graduating from St, Joseph's Convent (Grenville) sat nine (9) CSEC subjects; and Anaya David from Moyah who graduated from St. Andrew's Anglican Secondary School who sat seven (7) CSEC subjects.

Nia Joseph of Mt. Horne, St. Andrew and Ronnisha Smith of Pleasance St. Andrew, both who attended TA Marryshow Community College, studied General Studies and Business Studies, respectfully.

Charmaine Joseph from Telescope, St. Andrew's, attained her BSc. Degree in General Biology from St. George's University.

GREMED's community gathered on-line to hear from the students, to congratulate and send them off with best wishes, a poem and some words of wisdom. GREMED continues to serve our students. Thank you to our donors who continue to support this initiative. We look forward to your continued support.
